

How to Write a Conclusion for an Essay **Huckleberry Finn Essay Example (spoilers)**

The ending ironically reveals that all was for nothing. (A short explanation of the thematic effect of the book's end) Tom says that Miss Watson freed Jim in her final will. Jim told Huck that the dead man on the Island was pap. The entire adventure seemingly evaporated into nothingness. (How this effect was manifested into the minds of the readers)

However, the ending of Huckleberry Finn is written to pose more questions than answers. (However, this effect is misleading – and here's why) Upon looking deeper into the message of the book, one would realize that it's not about adventures or stealing money and saving lives. It is not a book meant to be interpreted like a cliché adventure movie. (Echoes a comparison to modern blockbuster literature and films) Huckleberry Finn is about growing up and learning how to make the right choice - not based on religion or aristocratism, but on intuition and personal experience. ('All was for nothing' intro statement is false because the progression of this book lies in character development and the maturation of Huckleberry Finn) Huck would rather be a 'sinner' than following the stereotypes and be a puppy of the world.

In Mark Twain's own words: "There ain't nothing more to write about." (Re-interpreted author quote signifying the importance of the book's focus)
