Title of Your Paper, Capitalized First Letters

Level 1 Heading, Centered

Just type this section of your paper here. It will probably be an introduction. Do not forget that you need to indent the first line of each paragraph of your text, just like in this paragraph.

Level 2 Italicized Headings, No Indentation

If you wish to divide your section into several subsections, you need to use level 2 italicized headings ('Harvard referencing style guide' 2018). They are useful if you want to make your paper more structured.

Do not forget that you need to indent the first line of each paragraph of your text, just like in this paragraph.

Level 1 Heading, Centered

Just another section of your paper. Do not forget that you need to indent the first line of each paragraph of your text, just like in this paragraph.
